Capital Campaign Newsletter - Vol 4 HVAC

HVAC in the Rear Addition (Common Room, kitchen & classrooms)

The biggest, most urgent and complicated item on the list is replacing the end-of-life heating and air conditioning units that serve the classrooms, Common Room, and the offices....more attached

Survey

GreenerU recently launched a complementary infrastructure projects survey. It seeks broad input on FPB's general values and particular priorities. So everyone is invited to complete the webform at <https://www.surveymonkey.com/r/Y5TRVC9> which covers infrastructure problems, proposed solutions and cost alternatives. Your thoughtful responses to this digital survey are greatly appreciated!
